**DELEGATION**

**Leonard Leier – Councillor, RM of Francis**

The RM of Francis has received a number of complaints of people getting flat tires around the landfill. He was asking what the Village was doing to mitigate these types of issues.

The Village is planning to take extra security precautions out at the Landfill. We have on-going problems with people cutting the lock and entering the Landfill without permission. There has also been unauthorized dumping.

Council will be submitting a resolution to SUMA regarding the dumping of used tires at the landfill and the costs associated with their removal. There is a need for provincial or federal program to aid municipalities in disposing of used tires.

Council will also be considering having set hours the Landfill will be open and have a person working during those hours to ensure appropriate dumping is taking place. This will have to be a budget consideration in 2010.

188/09

**Councillor Forbes** that that Gym Hall contract as submitted by Prairie Valley School Division be signed.

**Carried**

189/09

Next council meeting will be announced after the election.

190/09

The meeting was adjourned at 9:00 PM.
