Sedley Community Garage Sale

There will be a community wide garage sale held on Saturday, May 8th.

No more than one household should be in the same location. If you plan on having items for sale, please contact the Village Office so we can assist in advertising your event!

Sellers and buyers are reminded to follow the current public health guidelines. These guidelines, as of date of publishing, are as follows:

Information for Sellers

- Group sizes cannot exceed what is allowable in the current Public Health Order.
- Do not host an event if you are feeling sick/unwell.
- Wash hands often and consider providing Health Canada approved (DIN or NPN) hand sanitizer for all attendees.
- Maintain a physical distance of two metres between individuals. Signs that promote two-metre physical distancing between attendees should be posted.
- Sales should be held outdoors or, at a minimum, in a well-ventilated area such as a garage with opened doors and windows.
- Sales are to be hosted by a single family. Group events are not permitted at this time.
- Clean and disinfect tables and sale items prior to the sale. Tables and other frequently touched items, including sale merchandise, should be cleaned and disinfected throughout the day.
- Clothing or other fabric items should be laundered prior to sale.
- Minimize physical contact with attendees.
- Do not provide food and beverages – complimentary or for sale.
- For cash transactions, ensure hands are washed or sanitized after handling money. Accept cashless payment if possible.
- Where the seller agrees with the buyer to have an item picked up (i.e. larger items needing a larger vehicle for transport) outside the hours of the garage sale, the same precautions are to be taken at the time of the pickup.

2. Information for Buyers

- Gathering sizes must not exceed the current limits as per the Public Health Order.
- Do not visit garage or yard sales if you are feeling unwell.
- Practise frequent hand hygiene and bring with you a supply of Health Canada approved (DIN or NPN) hand sanitizer.
- People should visit sales individually wherever possible. Always maintain a physical distance of two metres between yourself and other non-household members.
- Avoid handling items and objects for sale unless necessary.
- Clean and disinfect purchased items where possible. Launder clothing and fabric items.

Free Dump Days

When: Saturday, May 22nd & Sunday, May 23rd

Time: 9 AM – 2 PM

In an effort to streamline the off-loading process, please ensure you separate your trash into the following categories: household trash, furniture, yard debris, metal, and clean wood. Peter will direct where to unload.

Free dump days are strictly for Sedley residents only. Non-residents may dump, but the regular rates will apply.

Now's the time to clean out the yard and get it summer ready!

Landfill Summer Hours

Summer hours at the landfill begin Wednesday, May 26th. Summer hours are as follows:

Wednesday 6 PM – 9 PM (as summer wanes and days get shorter, closing time could be earlier)

Saturday 9 AM – 2 PM

Summer hours run until October 1st.

Odd / Even Watering Set to Begin

Looks like it may be another dry year this summer so once again we are implementing the odd / even water schedule for residents.

If your house number is even (divisible by 2), please water on even days.
If your house number is odd (not divisible by 2), please water on odd days.

We thank you in advance for your cooperation.

Sedley Spray Park Set to Open!!!

We are excited to advise the Spray Park will turn the water fun on starting June 15th (depending on weather and if odd / even watering schedule is being adhered to).

Water will be turned on Tuesday, Thursday, Saturday and Sunday from 10 AM – 5 PM. Use will be limited to 10 people at a time.

Property Taxes

Tax tool bylaws for 2021 have been approved by council.

2021 Mill Rate Remains unchanged at 3.6 mills

2021 Base Tax Will increase from \$800 to \$950

Sedley Gym Hall Online Fundraiser

Stay tuned for more details about the 2nd annual Gym Hall Online Fundraiser.

New Website Coming Soon

We are excited to announce we will be launching our new and improved website in the next couple weeks!

We have been collaborating with local web designer Justin Makellky of JM Webcraft to give our website a fresh new look and improved functionality. Over the next week, you may notice it is under construction...not to worry, it won't be down for long!

Calling All Photographers

We want your pictures!!!

Do you have pictures of Sedley and the surrounding area you are particularly proud of? We would love to showcase your photography skills on the new website.

Please submit your pictures to administrator@villageofsedley.com – we want to see them all!!!

Have Questions?

The Village Office welcomes you to get in touch whenever you have questions and or concerns. Not sure when dump day is? Reach out to us – by phone 306-885-2133, by e-mail administrator@villageofsedley.com, or via the Village of Sedley Facebook page. Questions posted on Facebook pages which are administered by private citizens and/or are not managed by the Village will not be answered.

Wonder what happens at a council meeting? The public is always welcome to attend; dates of meetings are typically held the third Tuesday of the month at New Horizon's Community Centre (until such time social distancing is not required by public health orders) and are posted on the Village website. Approved minutes are posted on the Village website within a week (or so) of the meeting at which they were approved. Starting in May, a short synopsis of the approved meeting will also be posted. We hope this will give residents a little more information about what decisions were made by council.

Complaint Process

Should you wish to lodge a complaint, please log on to our website to access the Complaint Form. Complaints must be received in writing and if not signed, will not be acted upon. The Complaint Form can be found at Village Office/Bylaws or by contacting the Village Office.
