## Light up Sedley Contest

We thought we'd try something different this year! We are encouraging everyone to decorate their home & yard for Christmas. On December 11<sup>th</sup>, we are asking everyone to turn on their lights and take a tour of town! All homes who participate in the Light Up Sedley Contest will receive an entry to win some fabulous prizes! To qualify for an entry, you must participate on December 11<sup>th</sup> by lighting up your house with holiday lights!!!

## Parking

Please do not park in ditches – it makes Al's job more difficult regardless of the season.

Also, we've noticed a number of people are parking trucks and/or cars on the sidewalk. Parking on the sidewalk interferes with residents out walking, children playing or riding their bikes, not to mention damage to the sidewalk over time. Please do not park on or over sidewalks.

## Bill Payments

Depending on the financial institution you deal with, the office receives notification of payments made online differently – some send notification when you make the payment and some when it forwards the money to our bank account. Effective immediately, if you are paying your water/sewer or property taxes using online banking and make the payment near the end of the month and it is not received into our bank account by the last day of the month, it will be posted in the month in which it is received. This could cause interest to be added to your account. Please consider adjusting your payment date.

We have many options for your utility and/or tax payments:

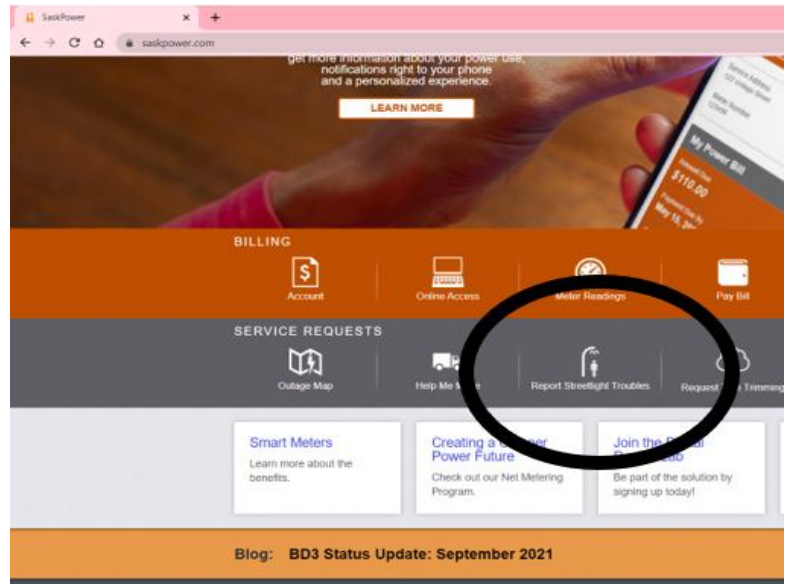

- Cash or cheque (post dated works too!)
- e-Transfer (If you are using this option, please indicate your address and whether it's a utility or a tax payment)
- Online banking via your financial institution's website

A reminder your 4<sup>th</sup> quarter water/sewer payment is due December 31<sup>st</sup> as is 2021 property tax payment. The office will be closed between Christmas and New Year's. Payments made by cash or cheque dated December 31<sup>st</sup> and received in the office by 9:00 AM on January 4<sup>th</sup> will be backdated to December 31<sup>st</sup>. This does not apply to online payments received after December 31<sup>st</sup>.

## Street Light Issues

See a problem with a street light, maybe it's burnt out, maybe it stays on during the day, did you know you can report these outages yourself?

[www.saskpower.com](http://www.saskpower.com) has an easy to use tool to report problems with street lights. We are encouraging everyone to report issues as SaskPower has begun exchanging the old street lights with brighter, more efficient LED street lights. This results in savings for us and our community is so much brighter at night!

## Sedley Library Programming

The Sedley Library has some awesome programming in the month of November! Check these out! Ruth, the librarian would appreciate advance registration so she can ensure she has enough supplies. **NOTE: Code & Go Robot Mouse will not be available until November 9<sup>th</sup>**

## Waste Collection

Please have your Loraas bin at the curb by 7:00 AM as Loraas comes early!

The transfer station is now on winter hours. It is open the 2<sup>nd</sup> and 4<sup>th</sup> Saturday of the month (November 13 & 27, December 11, closed December 25).

## We need YOU!!

The Sedley Gym Hall is currently looking to add members to the volunteer board. If you like to organize events, do fundraisers, and other fun things, consider becoming a member! You can contact Ashli Brick at (306) 531-3815 for more information and to join the board.

## Have Questions?

The Village Office welcomes you to get in touch whenever you have questions and or concerns. Not sure when dump day is? Reach out to us – by phone 306-885-2133, by e-mail [administrator@villageofsedley.com](mailto:administrator@villageofsedley.com), via our website or the Village of Sedley Facebook page. Questions posted on Facebook pages which are administered by private citizens and/or are not managed by the Village will not be answered.

Wonder what happens at a council meeting? The public is always welcome to attend; dates of meetings are typically held the third Tuesday of the month at the Village Office and are posted on the Village website. Approved minutes are posted on the Village website within a week (or so) of the meeting at which they were approved. Effective immediately, a brief synopsis of resolutions/motions/decisions made by council will be posted on the website under the Governance tab.
