Dog Licenses / Business Licenses

It's that time of year again – time to renew your dog license and business license.

Dog licenses are \$20/dog. We no longer send new dog tags out on an annual basis. If your pupper has lost his/her tag, let me know and I'll send you a new one.

Business licenses are \$25/year for home-based business and \$100/year for commercial businesses.

If you have registered your pet or business previously, you will be receiving a reminder letter in the mail shortly.

Covid-19

As per changes to the current public health order issued by the Province, proof of vaccination is no longer required when attending public meetings of council and attending public events.

Provided there are no changes, the mandatory masking requirement will be lifted as of midnight February 28th.

Residents are reminded to be considerate of others and their personal choices. Let's work together to keep our community safe and healthy.

Snow Removal

Mother Nature has been in quite a snit this winter!! We've seen quite a bit more snow than previous years! A HUGE thank you to AI for his efforts in keeping our roads clear!

We are asking residents to be 'snow aware' when removing snow from properties – sometimes moving snow from one place to another, causes grief for another resident. If you are wanting to move snow, it would be great if you could get in touch with AI and he can give you tips.

Bill Payments

Depending on the financial institution you deal with, the office receives notification of payments made online differently – some send notification when you make the payment and some when it forwards the money to our bank account. Effective immediately, if you are paying your water/sewer or property taxes using online banking and make the payment near the end of the month and it is not received into our bank account by the last day of the month, it will be posted in the month in which it is received. This could cause interest to be added to your account. Please consider adjusting your payment date.

We have many options for your utility and/or tax payments:

- Cash or cheque (post dated works too!)
- e-Transfer (If you are using this option, please indicate your address and whether it's a utility or a tax payment)
- Online banking via your financial institution's website

The first quarter water/sewer bill has been sent. If you receive billings via e-mail, please check your junk/spam folder. Also ensure you have added @villageofsedley.com to your safe/white list. Payment is due March 31st.
