

Council Meeting Synopsis  
July 19<sup>th</sup>, 2022

Minutes from the regular meeting of council held June 21<sup>st</sup> are available under the Governance tab at [www.villageofsedley.com](http://www.villageofsedley.com)

Finishing touches to the sidewalk project will be completed in stages. The contractor for the Broadway Street ditch sculpting initiative will remediate the area along the street. Top soil will be added to the walkway up to the office and perennials will be planted.

The 1957 Mack fire truck will be listed on kijiji.ca asking \$5,000 OBO.

The Versatile tractor engine is blown. Three options were presented to council for consideration:

- Replace with a new motor
- Rebuild motor
- Purchase a new tractor

Council decided to have Continental Engine Rebuilders will be contracted to rebuild the motor. This should take 2-3 weeks.

The next meeting of council will be August 16<sup>th</sup> at 7:00 PM at the Village Office.
