To the Residents of the
VILLAGE OF SEDLEY

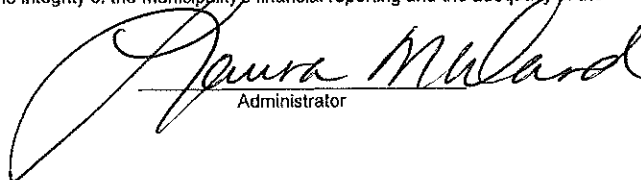

Management of the VILLAGE OF SEDLEY has the responsibility for preparing the accompanying financial statements and ensuring that all information in the related reports is consistent with the statements. This responsibility includes selecting appropriate accounting policies and making objective judgments and estimates in accordance with Canadian public sector accounting standards.

In discharging its responsibilities for the integrity and fairness of the financial statements and for the accounting systems from which they are derived, management maintains the necessary systems of internal controls designed to provide assurance that transactions are authorized, assets are safeguarded and proper records maintained.

Ultimate responsibility for financial statements to the residents of the municipality lies with the Council who review the financial statements in detail with management prior to their approval for publication.

External auditors are appointed by the Council to audit the financial statements and are available to meet separately with both the Council and management to review their findings. The external auditors have full and free access to the Council to discuss their audit and their findings as to the integrity of the municipality's financial reporting and the adequacy of the system of internal controls.

REPORT OF THE INDEPENDENT AUDITORS ON THE SUMMARY FINANCIAL STATEMENTS

To the Mayor and Councillors
VILLAGE OF SEDLEY

Qualified Opinion

The summary financial statements, which comprise the statement of financial position as at December 31, 2023 and the statement of operations for the year then ended, are derived from the audited financial statements of the VILLAGE OF SEDLEY for the year ended December 31, 2023.

In our opinion, the accompanying summary financial statements are a fair summary of the audited financial statements in accordance with Canadian public sector accounting standards.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by Canadian public sector accounting standards. Reading the summary financial statements and the auditors' report thereon, therefore, is not a substitute for reading the municipality's audited financial statements and the auditors' report thereon.

The Audited Financial Statements and Our Report Thereon

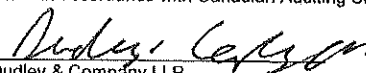

We expressed a qualified audit report on the audited financial statements in our report dated July 4, 2024. Our qualified audit report is based on the fact that municipalities are required by section 3280 of the CPA Canada Public Sector Accounting Handbook to account for and report a liability for the asset retirement obligation related to asbestos remediation costs on any effected capital assets. No such liability had been estimated and accounted for in the financial statements, and the unrecorded liability may be material in amount.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements in accordance with Canadian public sector accounting standards.

Auditors' Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".
