June 2025

Town Hall Meeting

A Town Hall Meeting is being held on June 18th! Come and learn more about what Council and Administration have planned for this year and have a chance to give us your direct feedback!

Reminder – Regular Council Meetings are open to the public for observation. If you wish to bring something forward to council and discuss it with them, simply contact the office at least one week prior to the meeting to be added to the Agenda.

Spray Park

We are excited to once again turn on the spray park for the summer! Opening day is **Saturday, June 14, 2025**, weather permitting.

Hours: Tuesday, Thursday, Saturday & Sunday
11am-7pm

Please ensure that all children are supervised at all times and that they are not sitting or climbing on the equipment.

Summer Reminders

With the warm weather arriving, there are few things you should keep in mind:

- **Watering Schedule**
 - The Watering Schedule for the Village is an Odd/Even Calendar Days Schedule. If your home is an odd number, then you water on odd calendar days of the month. If it is an even number, then you water on even calendar days of the month. This schedule is effective immediately.
- **Clear Sidewalks**
 - Please make sure to trim your bushes and shrubs away from the sidewalk! When the sidewalks are infringed upon, it greatly reduces accessibility and safety for pedestrians.
- **ATVs & Golf Carts**
 - ATVs and golf carts are NOT to be driven within the Village. You can fuel up your ATV at the store and take your fun out of town. Unlicensable vehicles are not permitted as per Sedley's ATV bylaw and *The All Terrain Vehicles Act*.
- **Fires**
 - Just a reminder that only clean wood is allowed to be burned in outside fire pits. No garbage, plastics, oil or toxic materials!
- **Campers and Trailers**
 - It's camping season!!! We'd like to remind everyone to not obstruct sidewalks with their trailer or hitch when parking your camper in between camping trips. Also, please do not park on the street for an extended period of time and try not to create blind spots – especially at an intersection. Lastly, please refrain from parking your camper in drainage ditches. Parking in the ditch when it is wet causes ruts and other damage which is costly to repair. It also hinders grass cutting and ditch maintenance.
- **Dogs**
 - Please be aware that dogs are **not** allowed in the Spray Park or the Tennis Court. If you have not yet purchased your licence for 2025, please come down to the office or send your \$20 per dog (along with a description of your dog(s)) to the Office as soon as possible.
