FRIENDLY REMINDER

SCHOOL BUS ZONES

STOP for School Busses

A reminder that when school buses are flashing their lights and have the stop arm out, you are **LEGALLY REQUIRED** to **STOP** when coming from **EITHER** direction! Help us keep our community safe for our kids!

Make sure to stop at least 5 meters (15 feet) from the front or back of the bus. Do not proceed until the lights are off, arm is retracted, and every child has safely crossed the road.

Sign Corridor

If you have a business or offer a service in or around Sedley and would be interested in the opportunity to advertise your business or service, please let Laura at the Village Office know!

Winter Reminders

- **Parking:** It is time to remind everyone not to park vehicles, trailers, etc. on the street (for more than 24 hours) to ensure that AI can clear the roads. Please do not park in ditches – it makes AI's job more difficult regardless of the season. Please ensure that all ditches are free of vehicles, trailers, garbage and recycle bins at all times.
- **Snow Clearing and Piling of Snow:** Any resident piling snow is asked to be aware of where and how they are piling the snow. Piling snow on top of culverts will impede the spring melt – try to spread snow evenly through the ditch. Also, please do not pile snow so that it impedes the Village snow removal efforts or interferes with lines of sight at intersections. Please also make sure to keep the sidewalks in front of your property clear of snow.
- **Snowmobiles and ATVs:** It is a violation of Village of Sedley Bylaw #114/87 to operate snow machines and ATVs within Village limits.
