Community Group Organizational Chart

In an attempt to better connect people in our area – both the rural farming families and those who live right in town – we are creating an Organizational (ORG) Chart of sorts. We would like to compile an inclusive list of all the boards, community groups, and volunteers who help our town flourish.

We are looking for a contact person(s) for each organization to add to our ORG Chart. If you are a member of a local board or organization and would like to be added to this chart, please contact the Village office!

Mass Notification System

The Village of Sedley has a new mass notification system to keep residents informed and up to date with things happening around the area. By signing up, you will receive alerts about emergencies, utility & service interruptions, road closures, and advisories.
